269517313118711808	bengoldacre	@AspireSci thanks, I'd have loved to go, only got three days notice so didn't work out. Hopefully next time #5ecf	Fri, 16 Nov 2012 19:08:29 +0000
269498238938255361	AspireSci	Shame no @bengoldacre at #5ECF. Maybe next year. Would have been great to hear his views on EU CME	Fri, 16 Nov 2012 17:52:41 +0000
269497713903677440	AspireSci	Thanks for a great meeting Peter and Eugene RT @networkpharma: Finished #5ECF event. We'll add slides shortly at <a href="http://t.co/0atMeUuq">http://t.co/0atMeUuq</a> .	Fri, 16 Nov 2012 17:50:36 +0000
269495916497608704	mathena123	@EuropeanCME @networkpharma Thanks for a great #5ECF looking forward to next year.	Fri, 16 Nov 2012 17:43:28 +0000
269481966037000192	michaelbmoore	@meducate Did it go well? #5ECF	Fri, 16 Nov 2012 16:48:02 +0000
269480392623529985	michaelbmoore	RT @networkpharma: Finished #5ECF event. We'll add slides shortly at <a href="http://t.co/zM1tCADz">http://t.co/zM1tCADz</a> . Now we have to start thinking about #6ECF (London November 2013)	Fri, 16 Nov 2012 16:41:46 +0000
269479558015762432	pharmaphorum	RT @networkpharma: Finished #5ECF event. We'll add slides shortly at <a href="http://t.co/zM1tCADz">http://t.co/zM1tCADz</a> . Now we have to start thinking about #6ECF (London November 2013)	Fri, 16 Nov 2012 16:38:27 +0000
269479326326595584	networkpharma	Finished #5ECF event. We'll add slides shortly at <a href="http://t.co/zM1tCADz">http://t.co/zM1tCADz</a> . Now we have to start thinking about #6ECF (London November 2013)	Fri, 16 Nov 2012 16:37:32 +0000
269476482068385793	eCMEF	Signing off as tweet moderator! Thanks to @pharmaphorum @cmaer @BrianSMcGowan for questions and comments #5ECF	Fri, 16 Nov 2012 16:26:14 +0000
269476196801191936	AspireSci	RT @EPGHealthMedia: #5ECF Check out the free CME report on HCP preferences here- <a href="http://t.co/1bnaeejF">http://t.co/1bnaeejF</a>	Fri, 16 Nov 2012 16:25:06 +0000
269475294308614144	cmaer	Always happy to oblige! RT @mathena123: @cmaer you have started a fight! #5ECF	Fri, 16 Nov 2012 16:21:31 +0000
269475241879801856	EPGHealthMedia	#5ECF Check out the free CME report on HCP preferences here- <a href="http://t.co/1bnaeejF">http://t.co/1bnaeejF</a>	Fri, 16 Nov 2012 16:21:18 +0000
269475164624924673	mathena123	@cmaer you have started a fight! #5ECF	Fri, 16 Nov 2012 16:21:00 +0000
269474970487369729	eCMEF	Reflection from Janet Grant "learning is culturally based and we don't know what best practice" is #5ECF @cmaer	Fri, 16 Nov 2012 16:20:14 +0000
269474634783653888	BrianSMcGowan	RT @mathena123: y r we still in circles about politics after several years of conversation? #5ECF >> Cause talking & doing are not the same!	Fri, 16 Nov 2012 16:18:54 +0000
269474633403731970	EPGHealthMedia	#5ecf- found the views of the 2 #HCPs interesting today? Have a look at our research to see the CME preferences of 180 HCP's across Europe	Fri, 16 Nov 2012 16:18:53 +0000
269474579007819776	pharmaphorum	@meducate has gone very quiet on Twitter - is he not able to multi-task? #5ECF :)	Fri, 16 Nov 2012 16:18:40 +0000
269472569781002241	eCMEF	@meducate how do we meet the needs of people with disparate systems and how do we help people navigate? #5ECF	Fri, 16 Nov 2012 16:10:41 +0000
269472405955698688	cmaer	Education should be based on solid evidence and proven learning practices and transparency in what is developed and how @eCMEF #5ECF	Fri, 16 Nov 2012 16:10:02 +0000
269472060579909632	mathena123	Why are we still in circles about politics after several years of conversation? #5ECF	Fri, 16 Nov 2012 16:08:40 +0000
269471616436674560	eCMEF	Audience member working in Asia How do we help to encourage good practice in the emerging countries? #5ECF	Fri, 16 Nov 2012 16:06:54 +0000
269470329263489024	cmaer	Shouldn't they be teh same? RT @JediPD: #5ECF The blur that lies between guidelines and best practice mandates is where conflicts blossom.	Fri, 16 Nov 2012 16:01:47 +0000
269470143325814784	eCMEF	European people should look to the good practice group to find standards for COI #5ECF	Fri, 16 Nov 2012 16:01:03 +0000
269470119330201600	JediPD	#5ECF The blur that lies between guidelines and best practice mandates is where conflicts blossom.	Fri, 16 Nov 2012 16:00:57 +0000
269469372916047872	eCMEF	US perspective talking about separation of promotion and independent education #5ECF	Fri, 16 Nov 2012 15:57:59 +0000
269468922611388416	JediPD	#5ECF The conflict of interest may reside in the "New Guidelines" Each has to Critically Think. (As per my friend @meducate)	Fri, 16 Nov 2012 15:56:12 +0000

269468907427999744	eCMEF	Audience: it's is not just about disclosure of conflict of interest it is also about resolving conflict of interest #5ECF	Fri, 16 Nov 2012 15:56:08 +0000
269468237555716096	theCMEguy	New guidelines? RT @eCMEF: Next question.. Where is the conflict of interest line with CME? Discussing the new guidelines #5ECF	Fri, 16 Nov 2012 15:53:28 +0000
269467788530302977	eCMEF	Next question.. Where is the conflict of interest line with CME? Discussing the new guidelines #5ECF	Fri, 16 Nov 2012 15:51:41 +0000
269467573316378625	pharmaphorum	@cmaer Clearly improved pt outcomes is great, bt needs associated 'win' for pharma for long-term sustainability when budgets tight IMO #5ECF	Fri, 16 Nov 2012 15:50:50 +0000
269467337160261633	eCMEF	Audience response that CPD is a newer more encompassing term. #5ECF	Fri, 16 Nov 2012 15:49:54 +0000
269467122130886656	cmaer	Difficult to do without a lot of intermediary measures I would think RT @pharmaphorum: @eCMEF #5ECF	Fri, 16 Nov 2012 15:49:03 +0000
269466916760989696	pharmaphorum	@eCMEF So how do you measure improved pt outcomes and associated benefit for pharma? #5ECF	Fri, 16 Nov 2012 15:48:14 +0000
269466878139850753	cmaer	At the Cdn. Med. Assn, it seems quite clear - CME concerns clinical care and CPD is non-clinical professional development @eCMEF #5ECF	Fri, 16 Nov 2012 15:48:04 +0000
269466866198650883	RoyalCollegeCPD	#5ECF Unsession - Are we working with common definitions of CME and CPD in Europe(world)?	Fri, 16 Nov 2012 15:48:02 +0000
269466466577940480	theCMEguy	And how do you look at pt outcomes? RT @eCMEF: Audience from pharma reports looking at improved pt outcome is our ROI #5ECF	Fri, 16 Nov 2012 15:46:26 +0000
269466460768841729	eCMEF	Next question what are the differences between CME and CPD and their definitions #5ECF	Fri, 16 Nov 2012 15:46:25 +0000
269466105427406848	cmaer	If CME means learning best practices and those involve best use of medications, its in pharmas interests to support? No? @pharmaphorum #5ECF	Fri, 16 Nov 2012 15:45:00 +0000
269466011714068480	eCMEF	Audience from pharma reports looking at improved pt outcome is our ROI #5ECF	Fri, 16 Nov 2012 15:44:38 +0000
269465630095314945	eCMEF	@pharmaphorum looking at your question now #5ECF	Fri, 16 Nov 2012 15:43:07 +0000
269465599476920322	cmaer	I'm sure many product managers are asking that question @pharmaphorum #5ECF	Fri, 16 Nov 2012 15:43:00 +0000
269465211499606016	eCMEF	Lawrence Sherman's CME unsession tweet questions @meducate #5ECF	Fri, 16 Nov 2012 15:41:27 +0000
269465181824897024	eCMEF	@Mathena123 as a guest moderating tweets this afternoon Hi twitter!! #5ECF	Fri, 16 Nov 2012 15:41:20 +0000
269465104892956673	pharmaphorum	@cmaer And, playing devil's advocate, if showing ROI is not possible then should pharma be doing it? #5ECF	Fri, 16 Nov 2012 15:41:02 +0000
269465013712982016	networkpharma	RT @AspireSci: #5ecf Tweet now if you have a question for the audience attending the European CME Forum	Fri, 16 Nov 2012 15:40:40 +0000
269464974445907968	cmaer	My own question would be whether best practices in CME are global in scope or need to be localized based on licensing requirements #5ecf	Fri, 16 Nov 2012 15:40:30 +0000
269464639501373440	AspireSci	#5ecf Tweet now if you have a question for the audience attending the European CME Forum	Fri, 16 Nov 2012 15:39:11 +0000
269464635856531457	cmaer	"Learning actions?" @BrianSMcGowan #5ECF	Fri, 16 Nov 2012 15:39:10 +0000
269464611789631488	michaelbmoore	RT @BrianSMcGowan: Why is all of the focus on content development? And so little focus on supporting the learning actions? ;-) #5ECF	Fri, 16 Nov 2012 15:39:04 +0000
269464507624091650	BrianSMcGowan	Why is all of the focus on content development? And so little focus on supporting the learning actions? ;-) #5ECF	Fri, 16 Nov 2012 15:38:39 +0000
269464243940773888	cmaer	I would imagine showing ROI from CME is a lot tougher for pharma now, but still must be possible @pharmaphorum @networkpharma #5ECF	Fri, 16 Nov 2012 15:37:36 +0000
269463781539729408	pharmaphorum	@networkpharma Q Given all regulatory restrictions what return should pharma now expect from CME and how does it measure it? #5ECF	Fri, 16 Nov 2012 15:35:46 +0000
269463721892536320	BrianSMcGowan	Creating a resource for a novel research project: "Quality of Health Information on the Web" <a href="http://t.co/ifsyUE1R">http://t.co/ifsyUE1R</a> cc: @hjluks #5ECF	Fri, 16 Nov 2012 15:35:32 +0000
269463076015849473	meducate	Its about to begin! any questions for an intl group? RT @michaelbmoore: Shoutout to @meducate during #5ECF unsession! #meded @LancetStudent	Fri, 16 Nov 2012 15:32:58 +0000
269463055396634627	cmaer	Hoping everybody isn't off down the pub yet RT @BrianSMcGowan: How are things going over the pond at #5ecf?	Fri, 16 Nov 2012 15:32:53 +0000
269462825603330050	BrianSMcGowan	How are things going over the pond at #5ecf?	Fri, 16 Nov 2012 15:31:58 +0000
269462690227957760	michaelbmoore	Shoutout to @meducate during #5ECF unsession! #meded @LancetStudent	Fri, 16 Nov 2012 15:31:26 +0000
269461420972847104	michaelbmoore	@andrewspong @networkpharma That is a great question re: participatory med & CME. #5ECF	Fri, 16 Nov 2012 15:26:23 +0000
269457057479004160	BrianSMcGowan	Information technology and its role in anaesthesia training and continuing medical education <a href="http://t.co/n275ujAi">http://t.co/n275ujAi</a> #SoMeCME #CMEchat #5ECF	Fri, 16 Nov 2012 15:09:03 +0000
269456927250067456	BrianSMcGowan	Use of social media by Western European hospitals: longitudinal study <a href="http://t.co/7BWN6K9w">http://t.co/7BWN6K9w</a> #5ECF #socialQI #hcsmeu	Fri, 16 Nov 2012 15:08:32 +0000
269456723239137280	andrewspong	@networkpharma Q how is the patient voice informing #CME & speaking to expectations of HCPs committed 2 participatory medicine agenda? #5ECF	Fri, 16 Nov 2012 15:07:43 +0000
269455747916632064	mathena123	#5ECF question from the audience: How do we develop beyond the ideas to improve CME in a practical way?	Fri, 16 Nov 2012 15:03:51 +0000
269453430362349568	brenstrong	@mathena123 #5ECF I think blended accreditation will have to happen at some point, to reflect development of Ed & Training	Fri, 16 Nov 2012 14:54:38 +0000
269452706991702017	cmaer	Yep. Following #5ECF for just that reason MT @meducate: Pat, hoping you will be able to participate here in 40 min 1530 in London	Fri, 16 Nov 2012 14:51:46 +0000

269452415491796992	networkpharma	RT @EuropeanCME: We are going more interactive with the outside world here at #5ECF. Post your Qs here for Robin's Questiontime (now) and @meducate soon.	Fri, 16 Nov 2012 14:50:36 +0000
269452086205353984	meducate	@cmaer @MedPedsDoctor @RoyalCollegeCPD #5ecf Pat, hoping you will be able to participate in the unsession here in 40 min 1530 in London	Fri, 16 Nov 2012 14:49:18 +0000
269451791509368832	mathena123	#5ECF should we be considering a blended accreditation system for #CME similar to the Canadian system in Europe?	Fri, 16 Nov 2012 14:48:07 +0000
269451601729687552	meducate	@drsteventucker it will begin at 1530 in London...#5ECF	Fri, 16 Nov 2012 14:47:22 +0000
269451401422331904	drsteventucker	RT @meducate: @JediPD @hjluks @kidney_boy #5ECF unsession beginning in about an hour - please participate via twitter	Fri, 16 Nov 2012 14:46:34 +0000
269451353074577410	EuropeanCME	We are going more interactive with the outside world here at #5ECF. Post your Qs here for Robin's Questiontime (now) and @meducate soon.	Fri, 16 Nov 2012 14:46:23 +0000
269451117946105856	meducate	#5ECF RT @amcunningham: @meducate I am recommending that everyone reads <a href="http://t.co/zHcb6N5a">http://t.co/zHcb6N5a</a> by @mellojonny	Fri, 16 Nov 2012 14:45:27 +0000
269450973192269824	cmaer	"Microcredits" already available in Canada RT @MedPedsDoctor RT @RoyalCollegeCPD: Can we not accredit bite-sized learning activities? #5ECF	Fri, 16 Nov 2012 14:44:52 +0000
