Dear Madam,  
Dear Sir,  
Dear colleague,

The International Academy for CPD Accreditation will be meeting in Cologne on Sept. 13-14, 2019, and we write to invite you join us.

At that meeting we plan to build on our work together to form an international standard for CPD accreditation. These standards would form the basis for substantial equivalency between international accreditation systems, and ultimately may form the basis for credit reciprocity for CPD among and between countries.

Since we would love to have you involved in this process, it would be optimal if you could plan to join us at the meeting. More details are available here: [www.e-cs-f.org](http://www.e-cs-f.org). Please let us know if you think you will be able to join us as we collaborate to create global alignment in CPD accreditation.

Best regards,
